Quote of the Week-

"Believe in yourself, be strong, never give up no matter what the circumstances are. You are a champion, and will overcome the dreaded obstacles. Champions take failure as a learning opportunity, so take in all you can, and run with it. Be your best and don't ever, ever give up." - Brad Gerrard

"Learning Matters"

"Although our attendance rate is the highest of all schools in the Wellington Region, we still have a concerning number of students who regularly miss/or are late to school due to lots of reasons. We are mandated by the Dept of Education to notify the relevant authorities when students are missing a lot of school, so strategies can be put in place. Missing just 1 day per fortnight over your P-12 yrs equates to missing 1 ½ years over that time. Turning up late an hr each day is also equivalent to missing the same amount of time!" If your child is absent due to a medical appointment or illness, you must notify us and provide a medical certificate. Thank yo
