1. School profile

Yarram Secondary College was previously known as Yarram Elementary, established in 1918 then changed to Yarram High School in 1950. They moved to the site where they are now located in James Street Yarram in February 1956 and became Yarram Secondary College in the 1990's, the college is located approximately 220 kilometres south east of Melbourne. We have 310 students enrolled from Year 7 to 12 and 60 school staff members including a school nurse, a wellbeing coordinator.

Our school grounds back onto farm land, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk, ride their bike or bus to school.
