PURPOSE

To explain to our school community the Department's and Yarram Secondary College policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Yarram Secondary College and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Yarram Secondary College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Yarram Secondary College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Yarram Secondary College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Yarram Secondary College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Yarram Secondary College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Yarram Secondary College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Yarram Secondary College students are required to store their phones in their lockers.

Enforcement

Students who use their personal mobile phones inappropriately at Yarram Secondary College may be issued with consequences consistent with our school's existing student engagement policies.

Consequences

- If a student's mobile phone is seen, heard or used during school hours, the teacher will confiscate the phone; secure the phone at the front office where it can be collected at the end of the school day.
- If the student refuses to hand their phone over when requested, they will receive a Learning Lunch.
- Ongoing use of a mobile phone, or repeated refusal to hand a phone over may result in further sanctions such as after school detention, class exclusion or suspension.

At Yarram Secondary College inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments

Associated items (eg. ear buds, smart watches) should not be used without explicit teacher permission. This means headphones should not be worn at school, unless the classroom teacher approves use (in their class only).

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite.
