POLICY

There are many occasions during the school year where Yarram Secondary College staff photograph, film or record students participating in school activities or events, for example : classroom activities, sports events, concerts, excursions, camps.

We do this for many reasons including to e.g. celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on classroom blogs/apps. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Yarram Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). Please note there are uses of images that do not require consent. These include curriculum-based activities (i.e. class work), identity management, managing behavioural and safety incidents, to support a student's health and wellbeing, and to provide individual feedback or communication to a student, their parents/carers and/or school staff. If you have any concerns about the use of photographs in our school, for example, due to safety or cultural reasons, please contact our school on 51825522 and/or email, yarram.sc@edumail.vic.gov.au

We will provide an annual reminder to parents about our Photographing, Filming and Recording Students Policy via Compass. We will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

This consent form applies to images of students that are collected and used by our school.

We ask that any parents/carers or other members of our school community photographing, filming or recording students at school events (e.g. concerts, sports events etc) do so in a respectful and safe manner and that images of students are not publicly posted (e.g. to a social media account) without the permission of the relevant parent/carer.
